Monday 20th April 2020

Dear Parents/Carers,

RE: Home learning during the coronavirus lockdown

We hope that you and your loved ones are all safe, well and had an enjoyable Easter break despite the unprecedented circumstances.

We miss our children and look forward to fully re-opening Westbridge as soon as the government advises that it is safe for us to do so.

Even though Westbridge is closed (to almost all children), it is the start of the summer term today, which means that it is time to crack on with our learning.

Although it may be difficult, it is essential that our children continue with their learning whilst they are home, as we do not want them to lose the knowledge and skills that they have gained. Children must complete some work each day to ensure that they do not fall behind and are ready to continue their learning when Westbridge reopens.

We have prepared new learning work packs and a home learning timetable, which identifies:

1. The learning activities that your child should participate in each day.
2. The time that they should spend on each activity.

Please be aware that the government has launched a new home learning website today called Oak National Academy. Oak National Academy (www.thenational.academy) is a new online collection of high-quality lessons and online resources created in response to the coronavirus lockdown. As this new resource has just been launched today, we will suggest how to use it alongside our existing home learning timetable in a further letter to you (via ParentMail) on Monday 27th April 2020.

If you have any questions or need any support, please email us on info@westbridge.wandsworth.sch.uk. Thank you again for your continued support - keep safe and remain positive.

Yours sincerely,

Ms Thompson
Headteacher
