Dear Parents and Carers,

RE: Reception place for

I hope that you and your loved ones continue to remain safe and well.

Thank you for choosing Westbridge STEP Academy for your child's education and welcome to our school community. As a parent myself, I know that choosing the right school for your child is an important decision; therefore, I would like to take this opportunity to tell you a little bit about Westbridge through the attached presentation.

Throughout Westbridge, we promote our values of Passion, Urgency, Positivity, Aspiration and Commitment. We have high expectations of all of our pupils and offer a curriculum which is broad, balanced, stimulating and fun. We expect our children to realise their full potential, leaving school with the highest standards, a love of learning and a set of moral values that will enable them to make a positive contribution to society.

It is an unprecedented time for us all; therefore, we do not know when Westbridge will be open for all pupils. We have a number of settling and transition dates planned for reception children and parents/carers which are obviously on-hold until we receive further guidance. Please rest assured that as soon as details about schools opening in full are released, we will be in contact with a date for transition visits and a start date.

In the meantime, we will contact you by phone to welcome you to Westbridge, in addition to contacting your children's nursery, in preparation for the transition process.

We have attached some information regarding activities that you can undertake to help prepare your child for school.

If you need any further guidance, or support, please contact us on: office@westbridgestepacademy.org

We are delighted that you have become part of the Westbridge STEP Family and we look forward to meeting you all soon.

Yours sincerely,

Ms Thompson
