Swimming Data

Meeting national curriculum requirements for swimming and water safety.	Due to COVID restrictions last year in schools and the local swimming pools, we were unable to take the Year 6 cohort swimming. We plan to have swimming lessons for Y5 and Y6 pupils in Spring and Summer 2022 at our local leisure centre, but this is dependent on availability of swimming staff/instructors and any further COVID implications
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	Due to the impact of the Covid pandemic last year and the lack of swimming teachers at our local leisure centre, our Y6 pupils did not have access to swimming lessons. Approximately 50% of those Y6 (who are now Y7) would have met this target.
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	We will assess this once swimming lessons resume in 2022.
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	None as yet. We will reassess in Summer 2022

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

No

Academic Year: 2021/22

Total fund allocated: £17,550

Date Updated: 26th November 2021

Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Children to be more engaged in sporting activities at break and lunch time.	Playground equipment to be purchased for children to use at playtimes and lunchtimes.	£250	Equipment purchased and being used at play and lunch. Range of ball games available, including table tennis, with positive feedback from children.	To do a stock audit at the end of each term to note which equipment needs to be replaced and replenished. Pupil survey / pupil voice to feed into activities, resources for the playground.

Employ a Sports Coach for EYFS, KS1 and KS2 lunchtime to give children the opportunity to develop their sport skills and promote physical activity.	Sports coach provided with a designated space at break times to carry out activities. Year groups to be timetabled to be in that area. A range of activities offered to cater for all children.	£5000	Coach is ensuring a range of different activities are available each day e.g. fundamental movements, multi-sports, tennis, basketball, hurdles etc. to encourage active play. Feedback from children is very positive.	Continue to provide funding for employment of lunchtime coach next year to ensure that lunchtimes remain active. Liaise with coach and pupils to see which activities and equipment they would like to have at lunchtimes.
Employ a sports coach to run an after-school club each day of the week for KS1 and KS2 children.	Clubs run so far include multi-sports, handball, netball, basketball, football, archery and frisbee club. Sports Coach consulted pupils in October to select a new club and football was the overwhelming choice.	£5000	All clubs are at or very near to capacity. Positive feedback from pupils and parents. Sports coach to consult with children on clubs they wish to do by December for following term.	Continue to provide funding for sports coach and for him to consult children and parents in each year group to see which clubs they would like to attend and tailor a programme to fit the need.
